### UPDATE ON SALE OF EPM 18616, CROYDON

Global Resources Corporation Limited (Global or the Company) announced on 9 July 2012 that it had agreed terms with Gold Anomaly Limited (GOA) to sell a majority of tenement EPMA 18616; the agreed terms were dependent upon the tenement being granted and the Company is pleased to confirm that the grant of EPM 18616 has now been received.

In July 2013 Gold Anomaly Limited changed its name to Crater Gold Mining Limited (CGN).

In accordance with the agreed terms, the appropriate steps are now being taken for the Exploration Permit to be transferred to CGN. Under the terms of the agreement \$200,000 of CGN shares (translates to 49,333,991 CGN shares based on the agreed terms announced previously) will be issued to Global. A 6% interest in the Exploration Permit will be retained by Global.

Further details of CGN's announcement can be reviewed at <http://www.cratergold.com.au>
